

ENVIRONMENTAL POLICY

Fern Dale Supplies is committed to reducing the impact of its activities on the environment and assisting our customers to do the same by supplying and encouraging the use of environmentally responsible packaging materials and systems.

Fern Dale Supplies will operate at all times to:

Comply with all applicable legislation.

Continually strive to improve waste management practices.

Reduce pollution and emissions, and minimise noise levels.

Source and supply goods that are produced with respect to the environment, from sustainable resources, and using methods in accordance with current European guidelines.

Our environmental policy is implemented throughout the company, all managers and employees are aware of their responsibilities, and dedicated to fulfilling their duties in this respect.
